

Dustin Bourgoine II

Technical Solutions Director and Huntsville Site Lead

Mr. Bourgoine is the Technical Solutions Director and Huntsville Site Lead, responsible for all aspects of site operations and programmatic execution within the region. He possesses a full understanding of corporate service offerings, scientific capabilities, innovative technologies and how to best leverage them to prepare novel solutions for the federal government.

Mr. Bourgoine has more than 22 years of experience leading globally diversified teams working on information technology, cyber engineering, risk management, lean process and modernization projects. Over his career, he has successfully led and delivered more than \$480M in client efforts with a focus on secure, cost-effective and efficient outcomes that have ultimately resulted in \$300M+ in total savings as compared to original client cost estimates.

Mr. Bourgoine has a master's degree in information security and a bachelor's degree in IT from Western Governors University and a Master of Business Administration from Walden University. He has certifications in project management, IT Infrastructure Library and cyber security.
